

ROCK CREEK AND BOUNDARY FALL FAIR – September 13 & 14th, 2025
VOLUNTEER APPLICATION

The Rock Creek and Boundary Fall Fair comes to the community by the work of countless volunteers who contribute to putting on the events and activities for everyone's enjoyment! Volunteers assist with such things as the information booth, parking, campgrounds, 50/50, data entry, assistants, safety setup & clean up & much more. If you are interested in assisting with the fair, your participation would be welcomed & greatly appreciated!
It is a great opportunity to make new friends and contribute to the community!

Volunteers will receive a day pass or a weekend pass if they volunteer multiple days. Volunteer shifts are preferable for a minimum of four hours. This is a great opportunity for students who require community service hours for secondary or post-secondary education. For 2025, the minimum age for volunteering is 15 years of age as of Fair Weekend.

To volunteer, please complete the application form and email to: office@rockcreekfallfair.ca
