The course is specially designed to challenge the participants and horses. The course will consist of about 10 obstacles; each one is worth a specific point value based on degree of difficulty. Participants are allowed to do an obstacle twice, but they cannot do the same obstacle back-to-back. The participant who earns the highest point total is the winner. Western or English tack allowed. Ride or In-Hand allowed. Prize money for 1st, 2nd, 3rd. The prize money will be the total entry fees **plus \$500 dollars** & divided amongst the winners.
