

****IMPORTANT - NEW FOR 2022****

DEADLINE TO SUBMIT VENDOR APPLICATIONS: AUGUST 15, 2022

HEALTH INSPECTIONS

The Interior Health Food & Safety Inspector has advised that they will be inspecting all Food Booths and Food Trucks and Vendors who sell or provide samples of food of any type, including pre-packaged, at the 2022 Fair. Please ensure that all permits and licenses and certifications are up-to-date and that you meet all the health, safety and sanitation requirements. Failure to comply with health regulations may result in a closure of your booth/truck. The Rock Creek & Boundary Fair Association shall not be responsible for any actions or closures resulting from the Food and Safety Inspection. If you have any questions or concerns regarding compliance, please contact the Interior Health Authority.

CONTINUING WITH "GREEN INITIATIVE"

The Rock Creek Fall Fair is continuing its commitment to educate and encourage more eco-friendly practices following the guidelines of Reduce, Reuse and Recycle  and we invite you to become part of the solution. **It is MANDATORY that you continue to follow the existing rules *prohibiting the use of Styrofoam products, plastic straws, plastic stir sticks, and single use plastic bags* AND IN 2022 the use of plastic cutlery is also prohibited.** There is a water station located beside the First Aid Booth and we will be encouraging our Fair-goers to bring re-useable water bottles rather than purchasing plastic, single use, bottled water.

ELECTRICAL CORDS

For those of you who run electrical cords for your display and/or equipment, if those cords present a safety or tripping hazard within your space you are required to have an electrical cord cover. You are not permitted to run any electrical cords in public areas, walkways or thoroughfares, without the express written permission of the RCBFA, and if permission is granted you must provide electrical cord covers to ensure the electrical cord does not pose a safety or tripping hazard to the public.

FIRE EXTINGUISHERS

Fire Prevention and Control: Vendors agree to observe all fire regulations and maintain acceptable fire prevention practices as required by the Provincial and Civic authority having jurisdiction over these matters. Food Vendors are required to provide and place appropriate fire extinguishers.

HAND SANITIZATION

ALL Vendor booths/trailers will be required to have a hand sanitization system/product available at their location.

PRICING

As we are a family oriented event it is critical that we make it affordable for families to attend. Once through the gate, entertainment on the stage, in the arena, in the kid zone and interactive activities such as Miner's Alley, Rooster Scramble & Goat Tying, Axe Throwing and riding the Mechanical Bull have all been provided, to our Fair-goers, at no additional cost. Please consider these families when preparing price list.

REPORTING

This year, when reporting your sales figures, there will be three lines for daily sales (Friday, Saturday, and Sunday) and you must report your daily sales on each line. **ALL SALES TRANSACTIONS MUST BE ENTERED ON A CASH REGISTER CAPABLE OF PRINTING DAILY SALES REPORTS** and the Sales Reporting Form included with your Vendor package must be accompanied by the daily cash register report confirming the daily sales as reported.
