ROCK CREEK BOUNDARY FAIR ASSOCIATION

Objectives

- To exhibit the products of agriculture and country living;
- To inform visitors about agriculture, food production, and rural lifestyles, and;
- To display these in a form which will be attractive, educational and entertaining to people of all ages.
- To enhance our Communities, and sustain the Society

President's Message

Wow, what a success our RCBFA Diamond Jubilee was last year!! The weather was perfect, the crowds of attendees were excited to get together again, the vendors' food was great, the entertainment was top-notch, and our exhibits and competitions were entertaining. One of my favourite memories was standing in line at a food booth just watching and listening to guests making new friends, saying how much fun they were having and calling cheerful greetings to old buddies walking by. The energy level on the grounds was almost pulsating!!

We are looking forward to another wonderful fair this year. The RCBFA is a true community effort, and it is your fair. There are many ways you can take ownership to enhance your fair experience and the fair enjoyment of others. Attending, exhibiting, volunteering and/or becoming an RCBFA member are all ways to increase your enjoyment of the fair. Most of our exhibitors and volunteers find that the more they do to help the fair happen, the more fun they have. Building towards a better fair is a huge reward as you work with other energetic community members with common goals and like minds.

A huge aspect that sets the RCBFA apart from other fairs is that we take pride in being a home-grown, old time fair. We continue to have lots of local produce, handmade crafts, livestock, and exhibits on display. But we need to keep this uniqueness building. We need people like you to make this truly "Home Grown Fun.". So, take pride in your crafts, livestock, cooking and produce and bring one, two...or a hundred things to the fair to display or enter in a competition. I can't wait to see full shelves and display tables, as well as crowded barns and show rings!

All of us at the RCBFA look forward to seeing what you can do to help make our community fair, unique, exciting, entertaining and Home-Grown Fun, in 2023!

Sincerely,
Dean Corbett
President

Due to the Orders Issued, and Actions Required, by the BC Ministry of Agriculture and Food under the Animal Health Act—General Order AIV 2023-02 regarding the H5 and H7 avian influenza A virus and H1N1 avian influenza, the Rock Creek & Boundary Fall Fair (RCBFA) will NOT host any poultry classes in 2023.

The RCBFA is permitted to display birds from a single farm and flock that have been quarantined from other poultry farms and kept isolated from wild birds. The display will include different breeds, of various ages, of laying hens and meat birds, as well as some turkeys to show in our new Poultry Display Area.

We encourage you to visit the poultry display but please observe the following government rules when you enter the poultry barn:

- ◆ Disinfect your shoes by stepping through the cleansing trough
- ◆ Disinfect your hands at the hand sanitizer dispensers
- ◆ Stay TWO (2) metres back from the cages
- ◆ DO NOT attempt to touch or feed the birds

The RCBFA is educational in nature. We hope that this display will enlighten you and help you to understand more about poultry.

We look forward to a return to our normal poultry show in 2024!!
